The goal of the feasibility study is to talk to as many interested parties as possible and to discuss with them the best possible directions and strategies for Theatre NDG. The hope of this study is that by the end of it Theatre NDG will better understand the NDG community, the Montreal theatre and arts communities, and Theatre NDG's place within those communities.

Theatre NDG was founded in 2016 out of a love for community theatre. Based in NDG and open to everyone, the company aims to engage as many people as possible. "The biggest privilege of art is the creation of it," states Madden. "The goal of Theatre NDG is to increase access to the creation of art."
